

THE NEW YORK O&P COMMUNITY NEEDS YOUR HELP

PASSED. TWICE. NOW SIGN IT.

S8838/A10576 passed the Assembly and Senate unopposed for the 2nd year in a row. The bill is on the Governor's desk.

New Yorkers with Medicaid Managed Care deserve equal access to Durable Medical Equipment & Prosthetic and Orthotic Care.

THE SOLUTION:

S8838/A10576 requires Medicaid MCOs to pay providers at least 100% of the Medicaid fee schedule which was established in the 1980's. Zero new state spending. Plans already receive the money—it needs to reach providers, not MCO margins.
